

An unforgettable sports festival

On Wednesday, 25th May, a sports festival took place at Gymnasium Dresden Johannstadt.

Donation run

Ruben Dreher from class 5/3 gave it his all.

The 5th graders started with the run. They had to run for one hour, taking turns. Later it was the 6th graders' turn. The support association gave the students water and fruit to get power. A total of 5000 euros was collected and donated to 3 organizations.

Dodgeball

While some classes had to run, the others played dodgeball. All classes worked very hard and it was an exciting tournament. But in the end class 5/3 won the match.

The sports festival ended with sports stations between the sponsorship classes. Also some 4th graders from the elementary school „Johanna“ were there. The tasks included chain catching or tying the Gordian knot. All students had fun and the chance to get to know each other better.

Class 5/3 stood on the winner's podium and won a new class ball.
